ACTIVITY: LISTENING, LEARNING, LEADING

Suggestions for Presenters

1. Distribute the *Listening, Learning, Leading: Three Essentials for Collaborative Leadership* handout to the large group.
2. Divide the participants into small groups, with five to seven members each. Have each group choose someone to report back to the larger group. If the group is large enough, ask each table to take one of the three sections:
 - Listening
 - Learning
 - Leading
3. Give participants enough time to review the handout. Ask each group to thoroughly discuss the assigned section and to add additional attributes to the list.
4. Ask each group to report the key highlights back to the large group.
